ANNEX 1

SELECTION PROCEDURE REGARDING THE EXTERNAL AUDITOR

Unless it concerns the renewal of an audit engagement, the advice of the Audit Committee referred to in Clause 3.1 of these terms of reference shall be prepared following a selection procedure organised by the Company respecting the following criteria:

- (a) the Company shall be free to invite any audit firm to submit proposals for the provision of the statutory audit service on the condition that the cooling down period is respected and that the organisation of the tender process does not in any way preclude the participation in the selection procedure of firms which received less than 15 % of the total audit fees from public-interest entities in the Netherlands in the previous calendar year;
- (b) the Company shall prepare tender documents for the attention of the invited audit firms. Those tender documents shall allow them to understand the business of the Company and the type of statutory audit that is to be carried out. The tender documents shall contain transparent and non-discriminatory selection criteria that shall be used by the Company to evaluate the proposals made by audit firms;
- (c) the Company shall be free to determine the selection procedure and may conduct direct negotiations with interested tenderers in the course of the procedure;
- (d) if the Dutch Authority for the Financial Markets (*Autoriteit Financiële Markten, (AFM)*) should require audit firms to comply with certain quality standards, those standards shall be included in the tender documents;

The Company shall prepare a report on the conclusions of the selection procedure, which shall be validated by the Audit Committee. The Company and the Audit Committee shall take into consideration any findings or conclusions of any inspection report on the applicant audit firm; and

1. INTRODUCTION

This policy applies in respect of External Auditors of European FinTech IPO Company 1 B.V. including any possible majority-owned legal entities.

The Audit Committee sees to it that the external auditor complies with the relevant recommendations, provisions and statutory provisions, and may request more detailed explanations and written confirmations from the external auditor that these provisions are followed.

4. AUDIT SERVICES

Audit Services is the audit of the annual financial reports of the Company, the assessment of interim financial reports that are disclosed, services that are traditionally provided by the external auditor and that are related to filings and obligations under legislation or regulations, and services that only the external auditor as such can reasonably provide.

In addition to complying with section 5 paragraph 1 of the EU Regulation, the External Auditor that conducts the statutory audit of a public-interest entity shall not render any other services to this entity in addition to the audit services.¹⁰

The External Auditor or any other member of the network to which the External Auditor belongs, may directly or indirectly only render auditing services to the Company and the enterprises it controls during:

- (a) the period between the beginning of the period audited and the issuing of the audit report; and

The Audit Committee shall also supervise the risks of dependency of other members of the audit team of the Company who are involved with the audit for a significant period. The Audit Committee shall consult the responsible partner of the External Auditor regularly on safeguards set up by the External Auditor to assess the risk of dependency and to reduce it to an acceptable minimum level.

6. APPOINTMENT OF THE EXTERNAL AUDITOR

The External Auditor shall be appointed in accordance with Clause 12 and Annex 5 of the Rules of the Board. If the decision is taken to call in the services of another External Auditor, the tender process approved by the Audit Committee shall be followed.

7. COMPLIANCE WITH THIS POLICY

It shall be a condition to their engagement or continuation of engagement for External Auditors to agree to comply with this policy and to have appropriate compliance mechanisms in place for this purpose.

Any exception to this policy requires the prior approval of the Audit Committee.

The Group Controller shall oversee compliance with this policy and keep the Audit Committee informed thereof.

8. STAFF TRANSFER RESTRICTIONS

The Company and the External Auditor shall agree on a policy regarding the restriction of staff transfers from the Company and its group to the organisation of the External Auditor and vice versa, taking into account all relevant legislation and regulations.¹⁴ This policy is subject to the approval of the Board subject to the approval of the majority of the Non-Executive Directors.
